

technical assistance needs across the discretionary grant programs that are reporting on WIOA performance indicators, and contributes to improved quality of performance information that ETA receives.

The National Farmworker Jobs Program and YouthBuild grants are authorized under the Workforce Innovation and Opportunity Act of 2014, which identified performance accountability requirements for these grants. The WIOA performance indicators and reporting requirements also apply to the Dislocated Worker Grants program. While H-1B Job Training, Reentry Employment Opportunities, and the DOL Office of Apprenticeship grants are not authorized under WIOA, these programs have adopted the WIOA performance indicators and align with WIOA data element definitions and reporting templates to promote consistency across these DOL-funded programs. The Senior Community Service Employment Program, authorized under the Older Americans Act, as amended (Pub. L. 114-144), has also adopted some of the WIOA performance measures and, for this reason has adopted the WIOA Joint QNR.
