Cover Letter

Following to your announcement entitled :

Call to the Biological and Physical Sciences in Space Community for White Papers

THE NATIONAL ACADEMIES OF SCIENCES-ENGINEERING-MEDICINE

I am honoured to write you in view to publish my white paper entitled :

NEW SHUTTLE TECHNOLOGY

In waiting for a favourable response want, to accept my best greetings.

Signed : The author :

Miss Nouara Tinakiche

NEW SHUTTLE TECHNOLOGY

Abstract: In this work, I propose to construct a novel type of aircrafts or shuttles which travels helicoidally in the space.

THE WHITE PAPER/

In this work, I propose to construct a novel type of aircrafts or shuttles . This kind of shuttles fly into sky helicoidally under the effect of a strong magnetic field applied on it from the sky or (on the station) and by getting this shuttle a certain initial velocity , the motion under the Lorentz force effect will allow to the shuttle to fly highly in the space following a helicoidally trajectory.
