Common Instrument Interface Workshop 1 Feedback Form

Initiator Name:

Organization:

Phone:

Email:

Concern:

Recommendation:

The CII Team will post all concerns and responses on our public website. CII will not attribute the concern to the initiator unless initialed below.

____ Initial here if you want the public CII website to indicate your name and organization.

Agenda

Thursday, 21 April

AM

7:30 Registration

Mr. Craig Hutchinson

Earth System Science Pathfinder Program Office
NASA Langley Research Center

8:00 Workshop Administrative Briefing

Dr. Kenneth Jucks, Program Scientist Earth Science Division / Science Mission
Directorate NASA Headquarters

8:15 Opening Remarks

Mr. Randy Regan, Chief Engineer

Earth System Science Pathfinder Program Office
NASA Langley Research Center

8:30 CII Overview
Guideline Flow Downs

Mr. Mike Marlow & TBD

Space Development Group
Space and Missile Systems Command
Kirtland Air Force Base

9:00 Lessons Learned and Ride Share

Mr. Josep Roselló

EO Future Mission Division
European Space Agency

9:45 ESA Explorers 8 Program

10:00 Break

Mr. Ben Bornstein

Jet Propulsion Laboratory

10:30 Data Interface Guidelines and Discussion

Mr. John Carey

NASA Goddard Spaceflight Center

11:15 Power Interface Guidelines and Discussion

PM

12:00 Lunch

Mr. Michael Brenner

Jet Propulsion Laboratory

1:45 Mechanical Interface Guidelines and Discussion

Mr. Eric Sunada

Jet Propulsion Laboratory

2:30 Thermal Interface Guidelines and Discussion

3:15 Break

Mr. John Carey

NASA Goddard Spaceflight Center

3:45 Environmental Interface Guidelines and Discussion

Dr. Satya Kotaru, Project Manager

Common Instrument Interface
NASA Langley Research Center

4:30 Wrap Up / Action Item Review / CII
Workshop 2

4:45
