**Patricia Reiff, Rice University**  
Presentations/Trainings on the Solar Eclipse

June 11, 2017

# SCIENCE MISSION DIRECTORATE

Dr. Patricia Reiff, veteran of 15 trips to the center line (13 total, 2 annular, with only two clouded out), has been presenting many eclipse trainings, webinars, and public talks about the eclipse. These talks include eclipse animations created with HEC support. Recent presentations include:

- ESIP “Out to Lunch” webinar May 17 (available <https://youtu.be/oCSVQDtpsQw> )
- “Earth to Sky” webinar May 25: <http://www.earthtosky.org/professional-development/other-science/eclipse-2017.html>
- Engineering and Science Council of Houston Keynote Address “Space Weather, MMS and the Eclipse 2017”, June 1, 2017, Houston
- Night Sky Festival: March 18, Dripping Springs, TX (in Dome)
- Lunar and Planetary Science Conference, Woodlands, TX (Mar 20-24) (Dome)
- National Science Teachers Assn, Los Angeles, Mar 30-April 1 (Dome)

Solar Eclipse 2017: Where to Go,  
How to Observe Safely

Prof. Patricia Reiff  
Rice University

## Partners:

- ESIP Federation (<http://www.esipfed.org>)
- Earth To Sky ([www.earthtosky.org](http://www.earthtosky.org))
- Engineering and Science Council of Houston
- Rice University / HEC
- ePlanetarium (travel)
