The Data Challenge Results Are In!

Congratulations to all GLOBE Mission Earth-West schools who participated in the 2019 data challenge. A total of nine schools entered over 900 GLOBE measurements!

A special congratulations to Met Sacramento's teacher, Jon Thackery, who's class entered 518 data measurements with the GLOBE Observer App.

Close runner-up's include:

- Skyridge Elementary: Juliet Hamilton's & April Johnstone's classes for entering 219 data measurements.
- ASCEND Charter: Jessica Kunz's classes for entering 158 data measurements.
