52 Sun, Earth, Universe Exhibitions Featuring NASA Science Shipped to Museums Across the United States

- In July 2019, the National Informal STEM Education Network (NISE Network) completed shipping of 52 *Sun, Earth, Universe* exhibitions to science and children's museums in almost all 50 states and Puerto Rico. All recipients are listed at: www.nisenet.org/sunearthuniverse-locations.
- Each recipient will host, or share with local museum partners, the interactive STEM exhibition that engages visitors in Earth, Sun, Solar System, and Universe content with strong connections to NASA Science.
- Partner museums hosting the exhibitions have a combined annual attendance of 10,000,000 visitors.
- All videos, graphics, manuals, and additional information for the exhibitions can be found at: www.nisenet.org/sunearthuniverse.
